## **Question:**

---

I would like to obtain a copy of the tape(s) of the April 25, 2005 meeting of the Faculty Senate.

## **Rationale:**

---

I would like to obtain a copy of the tape(s) of the April 25, 2005 meeting of the Faculty Senate. I have been told that reports that I have made on the particular meeting are wrong. As I feel that I took very concise notes, I would like to listen to the tape(s) and see where I made a mistake.

## **SEC Response:**

---

4-25-05-This is being taken care of through an Open Records Request.

## **Senate Response:**

---

Luke Hearn from the George-Anne asked to be able to review the tapes of the April 25th meeting regarding the items discussed under new business. He also filed his request

under Open Records. He received a typed transcript of the meeting through Lee Davis, of Legal Affairs, in Jeff McLellan's absence.
